2014

April,

Just a reminder:

This Month's Meeting: *Saturday, April 26, 12 noon, at Dave Harm's house and shop*

4431 County Highway S, Marathon, WI

Lunch will be provided

Drive west on Hwy. 29 from Wausau. Turn south (left) onto County Highway S. Drive south, cross Scotch Creek Road, and drive past a farm on your right. Dave's driveway is the next one on the right, with trees on the north side and a farm field on the south side.

Dave invites us to come out and view his RV-10 project. He is reviving a practice that we have not done for many years, holding our chapter meetings at members houses to view their homebuilt projects. This is a great way to see a project while it is being built. Everyone is welcome.

Also:

May's Meeting: *Sunday, May 18, 12 noon at Don and Katy Winch's Airstrip*

3813 County Hwy. C, Wisconsin Rapids, WI

We will meet in their hangar. Lunch will be provided.

Their phone number is 715-435-3644.

Call to see if the field is ok for landing.

Plan to eat lunch at 11:30 am, and we will hold our meeting at noon.

The strip is 1400' long, running east and west with no obstructions on the east and trees about ½ mile away on the west.

Driving directions to Winch's Airfield:

From Wausau, Merrill, Mosinee and points north: Drive south on I-39, exit onto Hwy 34 south, turn right onto US 10 west, turn left onto Hwy 34 south to Rudolph, turn right onto County Rd. "C," drive about 4 miles west. Their green house, green hangar and airstrip are on the south side of the road.

From Stevens Point: Drive west on US 10 west, turn left onto Hwy 34 south to Rudolph, turn right onto County Rd. "C," drive about 4 miles west. Their green house, green hangar and airstrip are on the south side of the road.
